PROFESSIONAL EXPERIENCE

Assistant Soccer Coach | *Shadow Ridge High School – JV Team*

2022 to Present

- Partnered with coaching team to manage competitive soccer team, planning and leading practices, coaching for games and tournaments, managing parent and player communications, and overseeing team administration.
- Coached team to two consecutive championship wins, building talent pipeline by scouting, recruiting, and signing new players, cultivating existing members, and implementing individual improvement plans across the team.
- Introduced new approach to practices with a structured model that included individual and team goals, training and game video reviews, and targeted technical drills to strengthen areas of need and improve overall performance.

Ottawa University | *College Level Player – Position: Striker*

2020 to 2022

- Very active in university soccer program, participating and assisting with tryouts, practices, games, and tournaments, training regimens, and coaching other players in technique, strategy, and teamwork.
- Assisted in hosting annual tournaments, attracting dozens of schools from across the country, growing program visibility and enabling play against top competitors.
- Was a partner in modernizing program operations by assisting to rollout a cloud-based team management platform that provided a centralized hub for information and communications with real-time game updates, automated texts, and email scheduling.
